## Be on vacation all year with Genius Manufacturing!

Your vacation will allow you to relax! But when you come back from your vacation, the same operational problems will be waiting ... With Genius Manufacturing, it will feel like you are on vacation year round, because we are the leaders in manufacturing management in Quebec!

We offer peace of mind with an ERP / MRP for SMEs. Genius Manufacturing allows you to estimate with precision, plan production efficiently and easily manage procurement! Watch the online presentation of Genius Manufacturing, and let us show you the environment you will want to return to, from your next vacation.

Join the Genius Solutions webinar and you'll see some powerful and refreshing tools. As refreshing as a good iced coffee that Genius Solutions offers free!
